

PECKHAM ARCHES - FULL VENUE HIRES, TAKEOVERS AND EVENT PARTNER COLLABORATIONS

PECKHAM ARCHES

Peckham Arches is South East London's outdoor event space. The 7000 sq ft terrace, run of 6 arches, private road space and adjacent neighbourhood cocktail bar Skylarking is perfect for a broad variety of events, takeovers and mini festivals.

We are looking for new collaborators for the 2024 and 2025 events calendar.

Following on from the success of events such as FUME, Wingjam, Uber Eats X Timeout's "Big Dish Energy" and takeovers by the likes of What Willy Cooks, Big Has and London Experimental Film Festival, we are seeking further events and marketing partners to curate and execute an exciting range of modern, cultural events focused around food, music and the arts.
